

Electric Start Perkins Diesel Generator 15kw 195L/H Fuel Consumption

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong

Product Specification

- Brand: Perkins
- Starting System: Electric
- Net Weight: 4500kg
- Dimension: 3000*1700*1900mm
- Controller: Deep Sea
- Warranty: 1 Year
- Speed: 1500rpm
- Voltage: 400V
- Highlight: **Electric Perkins Diesel Generator ,
195L/H Perkins Diesel Generator ,
perkins 15kw diesel generator**

Product Description

Product Description:

Perkins Diesel Generator is a durable diesel generator set designed for reliable power generation. Featuring an advanced diesel electric generator, this high output diesel generator is capable of providing up to 1000kVA of power at a frequency of 50Hz and a voltage of 400V. Moreover, this generator has a fuel consumption rate of 195L/h, making it highly efficient and economical.

Features:

High Output Diesel Generator: Perkins Diesel Generator

Warranty: 1 Year

Dimension: 3000*1700*1900mm

Net Weight: 4500kg

Frequency: 50Hz

Voltage: 400V

Technical Parameters:

Attribute	Value
High Output Diesel Generator	Yes
Advanced Diesel Electric Generator	Yes
Heavy Duty Diesel Generator	Yes
Fuel Consumption	195L/h
Brand	Perkins
Controller	Deep Sea
Net Weight	4500kg
Warranty	1 Year
Voltage	400V
Noise Level	75dB(A)
Type	Diesel Generator
Starting System	Electric
Dimension	3000*1700*1900mm

Applications:

Minlong Perkins Diesel Generator is a high output, durable, heavy duty diesel generator set which is made in China. It has an electric starting system and measures 3000*1700*1900mm. It has a frequency of 50Hz and features a water cooled cooling system, and a net weight of 4500kg. The Perkins diesel generator is perfect for industrial applications, providing reliable power, maximum uptime, and efficient performance.

Customization:

High Output Diesel Generator

Minlong is proud to present our custom-made Perkins Diesel Generator!

Brand Name: Minlong

Place of Origin: China

Voltage: 400V

Frequency: 50Hz

Controller: Deep Sea

Brand: Perkins

Cooling System: Water Cooled

Our Perkins Diesel Generators are designed with high output and reliable performance in mind. With our Perkins Diesel Generator, you can be sure that your power needs will be taken care of.

Support and Services:

Perkins Diesel Generator provides technical support and services for its products which include:

24/7 emergency service

Online and phone support

Preventive maintenance programs

Expert troubleshooting

Parts replacement

On-site service and installation

Training and education programs

Warranty and extended-service plans

Packing and Shipping:

Packaging and Shipping Perkins Diesel Generator

The Perkins Diesel Generator is carefully packaged and shipped to ensure it is secured and delivered safely. The packaging includes: Heavy duty corrugated cardboard for the exterior packaging.

Foam inserts to ensure the generator is properly cushioned and protected.

Sealed plastic bag to protect the generator from moisture.

The generator is shipped via reliable freight carriers to ensure the generator arrives in the same condition it is shipped in.

FAQ:

Q: What is the Brand Name of Perkins Diesel Generator?

A: The Brand Name of Perkins Diesel Generator is Minlong.

Q: Where is the Perkins Diesel Generator made?

A: The Perkins Diesel Generator is made in China.

Q: What components are available for the Perkins Diesel Generator?

A: The components available for the Perkins Diesel Generator include engine, alternator, control panel, air filter, radiator, etc.

Q: What is the maximum power output of Perkins Diesel Generator?

A: The maximum power output of Perkins Diesel Generator is up to 2000kW.

Q: Does Perkins Diesel Generator come with a warranty?

A: Yes, the Perkins Diesel Generator comes with a warranty.
